

## Music at the Museum

Enjoy an assortment of live music all month long by a variety of performers.

Check the **Calendar of Events** for times.

### Caribbean Vibes

Saturday, July 3

Enjoy live music by the **Caribbean Vibes Steelband** along with island-themed art in the Studio.

### The Solar Concert Series

The hit concert series is back! The summer sun powers the sound system for Pittsburgh's first green concert series every Wednesday at 12:15, July - August, in front of the Children's Museum in Allegheny Square.

July 7: **Emily Pinkerton**  
July 14: **Brad Yoder**  
July 21: **Todd Burge**  
July 28: **Midge Crickett**

The *Solar Concert Series* is presented by PPG Foundation and is a project of the New Hazlett Theater, The Saturday Light Brigade, and the Children's Museum.

### Studio Music

Thursdays, July 8, 15, 22 & 29

Create a silkscreen, press a monoprint or paint a masterpiece to live music in our Studio! **Ensembles from the Center for Young Musicians** will perform instrumental music to inspire your creativity.

### Musical Fusion with the Ortner/Roberts Duo

Saturday, July 17

Enjoy a unique musical performance that fuses harlem stride piano with traditional klezmer – then join the action as you experiment with rhythm and improvisation in a group workshop with the musicians!

Click on the WeCan! logo for times.

UPMC HEALTH PLAN

### Fun with Golf

Friday, July 30

Learn the fundamental skills of golf with The First Tee of Pittsburgh. Recommended for ages 5 and up.

### Game On!

Saturday, July 31

Hop, toss, balance and laugh through a day of active games like sack races, hopscotch, water balloon toss, relays, Duck Duck Goose and more. Free, Museum admission not included.

Presented as part of the national We Can! program designed to help children maintain a healthy weight, organized by UPMC Health Plan in partnership with the Children's Museum, Children's Hospital, H.J. Heinz Co., Children's Community Pediatrics and the City of Pittsburgh.

## Curious George Let's Get Curious! Through October 3

Explore this hands-on exhibit and get up close with the most curious little monkey. Follow Curious George's lead and engage in math, science and engineering activities modeled after his own adventures.

### Meet Curious George

Wednesdays, 11:30 am - Noon

Saturdays, 2:00 - 2:30 pm

### The Curiosity Table

Explore shark teeth, fossils, turtle shells and more from the collection of Carnegie Museum of Natural History. Daily, 1:30-4:30 pm.

### Get Curious: Mother of Invention

July 9 and 23, 2:00 pm

Storyteller Morgan Hunt presents "All Aboard!," a tale about the amazing things you can create with a little curiosity.

### Get Curious: Bugs!

Saturday, July 24, 12:30 - 3:00 pm

Cheer on your favorites in **Cockroach Races** featuring Madagascar Hissing Roaches, meet Giant Millipedes at **The Bug Petting Zoo**, or sample chocolate-covered crickets at the **Choco-Chirpie Corner**. Entomologist Dr. Grace Lim-Clark presents this exciting and educational program.

## Coming in August

Kindergarten! ...here I come!

Saturday, August 14, 9:00 am - 1:00 pm

Celebrate your child's entrance into kindergarten! Kids can climb aboard a real school bus, meet a crossing guard and receive a free vision screening. Parents and caregivers can consult with experts in nutrition, after-school programs, bullying, immunization and more.

Admission is free for every child entering kindergarten and one parent or caregiver. To learn more, visit [www.kindergartenherecome.org](http://www.kindergartenherecome.org).
