

MEDIA ALERT

Children's Museum of Pittsburgh Hosts Pittsburgh Mini Maker Faire Sunday

WHEN:

Sunday, October 23
Noon – 6:00 pm

WHERE:

Children's Museum of Pittsburgh
10 Children's Way – North Side
Pittsburgh, PA 15212

WHAT:

Celebrating the best of DIY, Pittsburgh Mini Maker Faire will feature more than 70 exhibits, performances and workshops including: racing robots, Sauerkraut Powered Robots, Cheese Bots, a 7' tall dinosaur puzzle, a yurt, The Great American Horn Machine (the world's loudest mobile musical instrument), Digital Fabrication (3D Printing & Lasercutting), instruction on knot tying, wool spinning, soldering, lock picking, science and technology projects and objects of all shapes and sizes and more!

An opportunity to make, create, learn, invent, craft, recycle, build, think, play and be inspired, this is the first Mini Maker Faire hosted in this region and is a co-presentation of the [Children's Museum of Pittsburgh](#) and [HackPittsburgh](#).

For all maker projects, performances and performance times and more info about Pittsburgh Mini Maker Faire, visit <http://pghmakerfaire.com/>
